The Kenya High school, Organised the Career day On Saturday 21st September 2013. Several University were invited to showcase there products to the students. this gave the current Form IV student a chance to interact with the universities and ask queries related to their career of choice. The Career also gave other students an opportunity to understand knowledge about the several opportunities and careers offered by different Universities and colleges. The following Universities and colleges exhibit their products.

- University of Nairobi
- Jomo Kenyatta University
- Kenyatta University
- Moi University
- Strathmore University
